DATEX GOES INTO COLOURS

Innovation of the Year
The Award-Winning
Material

Meet Datex in colours!

Fetish-style clothing has always been our passion, and development of the industry is our priority. This time, we have accomplished another project, which is Datex in colour. Datex is a material developed and produced by Ledapol, awarded during the EroFame with Erotix for Innovation of the Year in 2013 and now it is the time for another revelation of Datex as it is available in colours!
